

# Double Irish Chain

Overall Size: 58.00 by 68.00 inches

## Double Irish Chain

The Double Irish Chain quilt is made from the two basic blocks included in this pattern pack.

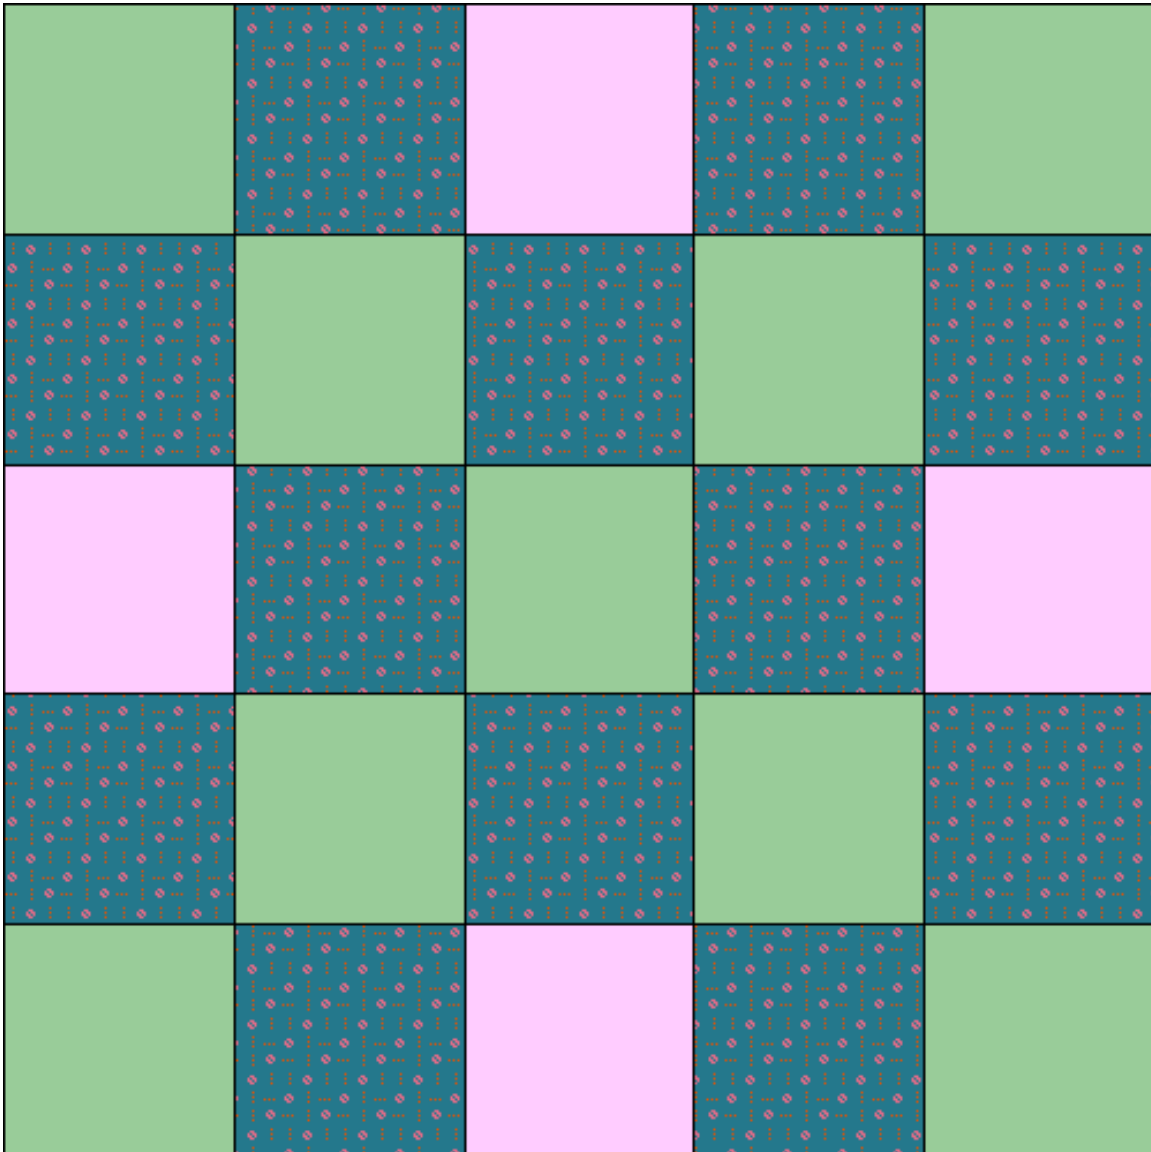

Pattern A is a 5 patch made of 25 square patches, each 2 inches square.

Pattern B has a center square that is 6 inches by 6 inches, and is surrounded by strips that frame the center square. The strips are each 2 inches wide and 6 inches long, with 2 inch square cornerstones.

You can easily change the size of the quilt by changing the size of the square patches or by adding or subtracting blocks.

The red lines above show the block layout for the quilt, and the red letters tell you which block is pattern "A" and which is pattern "B."
